### **City meetings return to school district offices**

**Fairfield, California (Thursday, May 28, 2020)** – Members of the Fairfield City Council agreed via teleconference on May 19 to resume city meetings in person at the Fairfield-Suisun Unified School District Board Room, located at 2490 Hilborn Road, on June 2 at 6 p.m. The next regularly scheduled Fairfield Planning Commission meeting is scheduled on Wednesday, June 10 at 6 p.m.

City meetings were held at the school board chamber beginning March 3 – prior to shelter-at-home orders issued by Solano County. Fairfield's regular council chamber is undergoing renovation work, which is expected to be completed at the end of the year.

Council members and commissioners have taken part in meetings online since the County and State imposed the stay-at-home orders to slow the spread of the novel coronavirus.

The effort to return to a public setting comes as the council is set to tackle some substantial issues during late spring and through summer. Several council members stated they wanted to make the effort to meet in a more public forum to make it easier for the public to participate, particularly given the importance of some upcoming issues before the council.

Strict social distancing guidelines, and practices such as having hand sanitizer available and the use of facemasks, will be required at all City meetings.
